

OUR STORY

Oversea Exim Private Limited is a direct-source exporter of premium Indian rice and fresh produce. By operating our own milling and processing facilities, we strictly control quality at every step. From careful grading to final packaging, we ensure our global partners receive only the absolute best.

READY TO GROW YOUR BUSINESS?

DIRECT SOURCING & QUALITY

We eliminate the middlemen. By processing our premium rice and fresh produce in-house, we guarantee strict quality control from the farm directly to your shipping container.

WHY PARTNER US?

- Direct Mill Sourcing: Better margins for you.
- 100% Quality Assured: Perfectly graded and sorted.
- Complete Compliance: We handle all export documentation.

OUR PRODUCTS

PREMIUM RICE

Directly milled for export, we supply highly aromatic Basmati and perfectly sorted Non-Basmati rice. Every batch guarantees uniform grain length and absolute purity.

FRESH FRUITS & VEGETABLES

Sourced directly from farms, we supply premium fruits and perfectly graded vegetables. Expect crisp onions, fresh chillies, and secure export packaging for maximum freshness.

COCONUT

Export-grade semi-husked coconuts from South India. We deliver strictly graded, fresh, and mature nuts with safe packaging for large-scale commercial distribution.
