CONNECTING INDIA TO THE WORLD

GLOBAL SOURCING AND EXPORT LOGISTICS

Oversea Exim Private Limited operates a highly integrated agricultural supply chain. By partnering directly with premium farming cooperatives and utilizing advanced cold-chain logistics, we ensure the seamless global distribution of premium basmati rice and farm-fresh produce. We bridge the gap between India's richest agricultural belts and global wholesale markets.

| QUALITY ASSURANCE & CARGO INTEGRITY

- **Cold Chain Excellence:** Dedicated reefer container management for fresh fruits and vegetables to maximize shelf life and preserve optimum freshness upon arrival.
- **Grading & Sorting:** Rigorous, mechanized sorting parameters applied to all premium rice variants to ensure zero-compromise grain length and purity.
- **Export Documentation:** Phytosanitary certificates accompany all agricultural cargo shipments.
- **Independent Auditing:** Pre-shipment inspections via SGS or equivalent international agencies are actively welcomed and available upon request.

| STANDARD TRADE PARAMETERS

- **Accepted Incoterm:** FOB, CFR & CIF
- **Payment Term:** TT(Telegraphic Transfer) or LC
